AIHA Future Leaders Institute

AIHA
Your Essential Connection
AMERICAN INDUSTRIAL HYGIENE ASSOCIATION

-
- An AIHA future leader is someone who has 15 or less years of experience in the OEHS profession. AIHA future leaders seek to develop a level of personal mastery beyond just what it takes to get through the workday. They envision greater possibilities for themselves and others and want to engage in the self-assessment and ongoing learning that will allow them to realize their full potential
 - 2006 Attendees have been selected
 - Both **Alan Rovira** from **NASA MAF** and **Diana Harrington** from **NASA Ames** have been selected.
 - **Congratulations on this honor!**

IH Staff Update

- Ames IH Gayle Frank will be retiring within the next month
- Ames has added a two IHs in the last few months.
Welcome Aboard
 - **Allen Cooley**
 - **Todd Nemec**
